Dear Josh:

If you will plan to give the Silliman Lectures during the academic year 1968-69, we will be very pleased indeed. A formal invitation will shortly be on its way, and the exact dates can be discussed later.

Thanks for reprints of your columns. They are excellent, and much needed. In what newspapers do they appear? *

I'll be keeping in touch with you during the coming year, and will help in any way that I can to make your visit here a pleasant one. We'll have lots to talk about.

Sincerely,

Edward A. Adelberg
Director
Division of Biological Sciences
